# Chapter 1

## Introduction

This is the introduction of the report. In this report, we discuss several concepts, such as  $\text{\LaTeX}$  formatting and document structuring.

### 1.1 Background

This section provides background information about the report's topic.

#### 1.1.1 History of $\text{\LaTeX}$

$\text{\LaTeX}$  was created by Leslie Lamport in the early 1980s as a document preparation system based on Donald Knuth's  $\text{\TeX}$  typesetting system.

# Chapter 2

## Methodology

In this chapter, we describe the methods and techniques used to accomplish the research presented in this report.

### 2.1 Research Method

The research method used is a combination of quantitative and qualitative approaches.

# Chapter 3

## Results and Discussion

This chapter discusses the findings from the research, including charts, figures, and tables.

### 3.1 Graphical Representation

Below is a simple graphical representation:

Figure 3.1: Example of a Graph

# Chapter 4

## Conclusion

In this report, we have presented several concepts. The conclusion summarizes the findings and discusses future work.
